EDUCATION

Computer Science
Wrocław University of Science and Technology

09/2017 - Present   *Wrocław, Poland*
Course Topics

- Object Oriented Programming
- Artificial Intelligence
- Game Programming
- Thesis: Lightweight Online Learning Environment
- Web Development
- Data Warehousing
- Machine Learning

Physics
Bilkent University

09/2014 - 06/2017   *Ankara, Turkey*
Course Topics

- Mathematical Analysis
- Motion Description
- Humanities
- Newtonian Physics
- Scientific Writing/Speaking
- English

WORK EXPERIENCE

Front-end Web Development Intern
Micazook

05/2019 - 09/2019   *Wrocław, Poland*
Achievements/Tasks

- Used a React.js like front-end component system that was designed on vanilla Javascript, which provided a good perspective on front-end frameworks in general
- Went through a comprehensive HTML, CSS, JS tutorial and covered a large ground on common mistakes and misconceptions
- Worked with an agile team to complete the instructions of our client

Contact: Available upon request

Tutor
Students

09/2015 - Present   *Ankara/Wrocław*
Mostly to individual students as paid tutor
Achievements/Tasks

- Had many students pass their courses or enter university
- Topics include: Mathematics, Physics, Object Oriented Programming

Contact: Available upon request

TECHNICAL SKILLS

React.js   Node.js   MS Office   C++, C#   Unity

Python For Analytic (Numpy, Scipy, Graphing Tools)

HTML5   CSS3   JS(Vanilla, ES6)

PERSONAL PROJECTS

Recreating My Portfolio Website (08/2020 - Present)

Designing Computer Games (11/2018 - 05/2019)
- Completed three standalone computer games
- Tested the compatibility of my physics background with game development industry, improved accordingly
- These games are small scaled, available upon request, mostly are there for my portfolio

Solidarity School (09/2015 - 07/2016)
- Establishing a small sized, volunteer based school for senior high school students
- Gave weekly mathematics and physics classes with QA hours
- Completely volunteer based, unpaid

ORGANIZATIONS

Centrum Kultury i Języka Tureckiego
(08/2020 - Present)
Volunteer. This is a new establishment where I am excited to participate

Raising Tomorrows Project (Of Bilkent University)
(09/2015 - 06/2016)
Weekly visits to city orphanage with games and surprises
